Step 1 — Getting Started

- First and foremost; **THANK YOU** for becoming a part of the CorkSport Family. We hope to bring you the highest level of Parts, Customer Service, & Support
- ⓘ How To Use These Instructions: The instruction format will relate colored marking in the image to the color dot in the text to the right of the image

Step 2 — Advisory for Your Safety

- ❗ While very attractive, we do not recommend using the CS Air Filter Sock as a stylish accessory for your person.
- ❗ Examples of what **NOT** to use the Air Filter Sock for...
 - Hair Net/Shower Cap
 - Face Mask
 - Beard Net
 - Undergarments'
 - Birth Control...its porous
 - And lastly...Socks for your Feet

Step 3 — Install Air Filter Sock

- Much like a sock for your foot, but please put it on your air filter and not your foot.
- Pull the stretchy opening of the air filter sock over the air filter end cap, media, and base cap
- Verify the stretchy opening of the air filter sock is 100% over the edge of the base cap

Step 4 — Cleaning & Maintenance

- ⓘ Cleaning: remove from air filter and clean with clean water, then air dry.
- ⓘ For best results, recommend to replace every ~10k miles.
